

2026 Employee Benefits – Pharmacy

With the health system's medical plans, you'll manage prescriptions at the health system pharmacy using MyChart, a secure mobile app and web-based portal.

Get MyChart

With MyChart, you can:

- Communicate with the pharmacy
- Refill prescriptions
- Pay for prescriptions (copays/coinsurance)
- Update your delivery address
- Get alerts for delivered prescriptions
- Get alerts when acute or specialty medications are ready for pickup

Sign up for MyChart now!

1. Sign up and enter payment information (for copays/coinsurance) before Jan. 1
2. Download the MyChart app (or use the secure web portal)
To enroll without an access code, click "Sign Up Now" and scroll down to "Sign up with your information"
3. Enter/update your contact information including your address
4. Add your payment information (required by January 1)
 - Click the three lines in the upper left corner.
 - Scroll down and select "Billing."
 - Select "Manage payment methods."
 - Select "Add a new payment method."
 - Enter your credit card information and hit submit.
 - **You can also add your HSA or FSA card.*

**Scan the QR code
to sign up for MyChart!**
